

One New = \$10 for You

Earn recruitment incentives

Any member is eligible to participate and earn money while helping grow the association!

- Any active ATPE member who recruits a new member **can receive \$10 per member!** Here's how it works. Recruit new members between April 4, 2022, and Oct. 31, 2022.
- Make sure the new member joins in the professional, associate, or administrator categories. And note that a "new member" is someone who has **never** been a member of ATPE. (Exception: If an individual has previously been an ATPE college student or student teacher member, they **do** qualify as a new member.)
- Incentives will be paid for **each recruited member** who is an active member in ATPE's database on Feb. 1, 2023.
- All funds will be issued via direct deposit (EFT) in March 2023.
- The **top recruiter will receive \$1,000** in addition to \$10 per member recruited.
- No entry form needed—simply tell the educators you recruit to enter your full name in the "recruited by" box on their membership application.

“ You are the face of ATPE on your campus and in your district. Walk the halls with confidence. Be active. Be present. Be seen. When staff members see you, they will see why ATPE is the best! ”

—MAURO SIERRA
